**CONGRATULATIONS TO OUR DISTRICT CHAMPS!**

**Color Run a Huge Success!**

Recently at Wilcox Primary School, our youngest Tigers Champions made a huge impact! Supported by our fabulous Wilcox PTA, and with the guidance of Physical Education teacher Mrs. Lauren Wilson, Wilcox Primary School held their 2nd Annual Color Run! The week was filled with character lessons centered around the Wilcox PBIS Pledge, “Be Responsible, Be Respectful, Be Caring and Be Safe”. The personalized lessons and celebration was an outstanding experience for all! Special thanks to the Twinsburg Athletic Boosters for sharing their inflatable Tiger with our Wilcox Tigers!

**Twinsburg Schools Foundation Funds the Power of Parkour at Wilcox Primary School**

Students in Mrs. Lauren Wilson's Physical Education classes at Wilcox Primary School are learning about the "Power of Parkour". Parkour is a sport that involves moving through an environment using only your body to get from one place to another as quickly as possible. It develops balance, strength, agility, coordination, and spatial awareness. Mrs. Wilson was awarded a grant through the Twinsburg Schools Foundation. With the grant money, Mrs. Wilson purchased new parkour-style equipment for our Wilcox Tigers to try this ninja-style activity during PE classes. They seemed to really enjoy their first introduction to parkour this week! Thank you, Twinsburg Schools Foundation, for your support of our Tigers!

### Twinsburg High School Orchestra Takes the Stage

On Saturday, Oct 19th, the Twinsburg High School Orchestra, under the direction of Mr. Damon Conn, and the co-direction of Mrs. Claire Jarmusik, performed in the lobby of EJ Thomas Hall at The University of Akron. This performance was a prelude to the Akron Symphony taking the main stage with their presentation of "The Planets". Words and photos won't express the sound and energy of the music as our Tigers performed "Minotaur", "Irish Legend" and "Lyric Metal". The lobby was packed with families and patrons for the fantastic, premiere performance!

Our Orchestra took the stage again in our very own auditorium for the Fall Festival Orchestra Concert on Tuesday, Oct 22nd. Co-concertmasters for our THS Orchestra are Aria Gebby and Cole Krajewski. Aria is the daughter Andy & Lisa Gebby of Twinsburg and Cole is the son of Matt Krajewski and Jennifer Parker of Twinsburg. Our Tigers were joined by the Chagrin Falls High School Orchestra and Director Kendra Karriker. The stage was filled with approximately 100 student performers for the final piece of the evening: "New York, New York!"... a prelude to both of the Orchestras' trips in March. Bravo to one and all!

**Thanks for Supporting Hats on For Hurricane Relief**

Friday, October 25th was the day set aside for our Tigers to support *Hats on for Hurricane Relief*, our effort to send care and support to the victims of Hurricane Helene and Hurricane Milton. We will have a wrap up next week, but until then, enjoy some photos of our very caring Tigers...

This is an exciting week for our Tigers as they celebrate Halloween. Some of our Tigers will also celebrate the Hindu festival of lights known as Diwali. We wish our Tigers who are celebrating Diwali much happiness and joy.

And, of course, we wish all of our Tigers competing this coming week, much success! Please come out and support our Tigers.

Have a great week!  
Kathi Powers, Superintendent
