December 12, 2018

WHEREAS, at an election on November 4, 2008, the electors of the School District approved the renewal of an existing tax levy in excess of the ten-mill limitation in order to raise the amount of \$4,000,000 each calendar year for a period of 10 years for the purpose of providing for the emergency requirements of the School District, pursuant to Sections 5705.194 through 5705.197 of the Revised Code, the last collection of which will occur in calendar year 2019; and

Section 3. <u>Certification and Delivery of Resolution to County Fiscal Officer</u>. The Treasurer is directed to certify immediately a copy of this Resolution to the Summit County Fiscal Officer and the County Fiscal Officer is requested to certify the School District's total current tax valuation and the County Fiscal Officer's calculation of the annual levy, expressed in dollars and cents for each one hundred dollars of valuation, as well as in mills for each one dollar of valuation, throughout the life of the levy which will be required to produce the annual amount set forth above, which calculation shall be made in accordance with the requirements of Section 5705.195 of the Revised Code and any applicable rules, orders, or instructions of the State Tax Commissioner.

Section 4. <u>Compliance with Open Meeting Requirements</u>. This Board finds and determines that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this Resolution were taken, and that all deliberations of this Board and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.
