A resolution authorizing the execution of a master lease agreement and a related equipment schedule between Huntington Public Capital Corporation, as lessor, and the Board, as lessee, providing for the lease and eventual acquisition of certain energy conservation measures and related improvements to school district facilities, and related matters.

WHEREAS, Section 3313.375 of the Revised Code provides that the board of education of a school district may enter into a lease-purchase agreement providing for the construction, enlarging or other improvement, furnishing and equipping and lease and eventual acquisition of facilities and improvements to facilities for any school district purpose; and

WHEREAS, Section 3313.375 further provides that the obligations of the board of education under such a lease-purchase agreement shall not be construed as net indebtedness of that school district pursuant to Section 133.06 of the Revised Code; and

WHEREAS, this Board has determined to provide for the for acquisition of certain energy conservation measures and related improvements to School District facilities, including lighting and HVAC upgrades and improvements (the Improvements), pursuant to a Master Lease Agreement and related Equipment Schedule (together with any and all addenda, exhibits and attachments thereto, the Lease), between Huntington Public Capital Corporation, as lessor (Lessor), and this Board, as lessee, a copy of which Lease has been presented to this Board;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Twinsburg City School District, County of Summit, Ohio, that:

Section 1. Declaration of Necessity of Lease. It is hereby declared necessary and advantageous to the School District for this Board to enter into the Lease with the Lessor for the purpose of leasing and eventually acquiring the Improvements for School District purposes.

Section 2. The Lease; Determination of Lease Terms; Other Instruments. The Treasurer is hereby authorized to negotiate the terms for and to sign and deliver, in the name of and on behalf of the School District, the Lease in substantially the form as now on file with this Board, with such changes not inconsistent with this Resolution and not substantially adverse to the School District that are approved on behalf of this Board by the Treasurer and President of this Board, all of which shall be conclusively evidenced by the signing of the Lease by the President of the Board and Treasurer; provided that the aggregate principal components of the rental payments due under the Lease shall not exceed **\$2,262,570**, the interest component of those rental payments shall accrue at an annual rate not in excess of **2.15%**, the Lease term shall consist of a series of terms ending at the end of the School District's fiscal year and subject to renewal at the option of the School District upon the appropriation of funds to pay rental payments due under the Lease during the following renewal term, and the final renewal term of the Lease shall end not later than **15 years** from the commencement date of the Lease; provided that the principal components of the rental payments shall be subject to prepayment at any time, in whole but not in part, at a redemption price of 102% of the outstanding principal balance plus accrued interest, as set forth in the Lease. The Treasurer, Superintendent and President of this Board are further authorized to sign any certifications, financing statements, escrow agreements (including specifically the escrow agreement (together with any and all exhibits thereto) between this Board and The Huntington National Bank in substantially the form that has been presented to this Board), documents, and instruments, and to take such other actions, as are desirable, advisable, necessary or appropriate to consummate the transactions contemplated by this Resolution and the Lease.

Section 3. Appropriation of Funds; Application of Lease Proceeds. The funds necessary to make any rental payments due and to meet any other obligations of this Board or the School District under the Lease during the current fiscal year have been appropriated and shall be used for that purpose. Any moneys

received by the School District in consideration for entering into the Lease shall be paid into the proper fund or funds, and those moneys are hereby appropriated and shall be used for the purpose for which the Lease is authorized.

Section 4. Federal Tax Considerations. The aggregate of the principal components of the rental payments payable under the Lease (the Obligations, and references to the Lease in this Section include the Obligations) is hereby designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the Code). In that connection, the School District hereby represents and covenants that it, together with all its subordinate entities or entities that issue obligations on its behalf, or on behalf of which it issues obligations, in or during the calendar year in which the School District delivers the Lease, (i) have not issued and will not issue tax-exempt obligations designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code, including the Obligations, in an aggregate amount in excess of \$10,000,000, and (ii) have not issued, do not reasonably anticipate issuing, and will not issue, tax-exempt obligations (including the Obligations, but excluding obligations, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code, that are private activity bonds as defined in Section 141 of the Code and excluding refunding obligations that are not advance refunding obligations as defined in Section 149(d)(5) of the Code) in an aggregate amount exceeding \$10,000,000, unless the School District first obtains a written opinion of nationally recognized bond counsel that such designation or issuance, as applicable, will not adversely affect the status of the Obligations as “qualified tax-exempt obligations.” Further, the School District represents and covenants that, during any time or in any manner as might affect the status of the Obligations as “qualified tax-exempt obligations,” it has not formed or participated in the formation of, or benefited from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of Section 265(b)(3) of the Code, and will not form, participate in the formation of, or benefit from or avail itself of, any such entity. The School District further represents that the Obligations are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax-exempt obligations of different issuers.

This Board covenants that, to the extent within its powers and control, it will use, and will restrict the use and investment of, the proceeds of the Lease in such manner and to such extent as may be necessary so that (a) the Lease will not (i) constitute a private activity bond or arbitrage bond under Sections 141 or 148 of the Code, as amended, or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest components of the rental payments due under the Lease (Interest) will not be treated as a preference item under Section 57 of the Code.

This Board further covenants, to the extent within its powers and control, (a) that it will take or cause to be taken such actions as may be required of it for the Interest to be and remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, will, among other acts of compliance, (i) apply the Lease proceeds to the governmental purpose of the Lease, (ii) restrict the yield on investment property acquired with the Lease proceeds, (iii) make timely and adequate rebate payments to the federal government if required to do so, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of Lease proceeds and, as applicable, of the property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that Interest under the Code.

The Treasurer is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of this Board with respect to the Lease as this Board is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or

protecting favorable tax treatment or status of the Lease or Interest or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of this Board, as may be appropriate to assure the exclusion of Interest from gross income and the intended tax status of the Lease, and (c) to give one or more appropriate certificates of this Board, for inclusion in the transcript of proceedings for the Lease, setting forth the reasonable expectations of this Board regarding the amount and use of all the proceeds of the Lease, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the Interest and the tax status of the Lease.

Section 5. Essentiality. This Board hereby finds and determines that the Improvements are essential to the School District's operations and serves an essential governmental function of the School District and that the Improvements will be used solely for essential governmental functions and not for private business use.

Section 6. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with, and the rendering of the necessary legal opinion upon the completion of the lease-purchase transaction approved herein. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the School District in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the School District or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services, whether or not the lease-purchase transaction is completed. The Treasurer is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm and in paying other financing costs in connection with the lease-purchase transaction at the direction of this Board.

Section 7. Prior Acts Ratified and Confirmed. Any actions previously taken by School District officials or agents of this Board in furtherance of the matters set forth in this Resolution are hereby approved, ratified and confirmed.

Section 8. Compliance with Open Meeting Requirements. This Board finds and determines that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this Resolution were taken, and that all deliberations of this Board and of any of its committees that resulted in such formal actions were held, in meetings open to the public, in compliance with the law.

Section 9. Captions and Headings. The captions and headings in this Resolution are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof.

Section 10. Effective Date. This Resolution shall be in full force and effect immediately upon its adoption.
