

R. B. Chamberlin Middle School

Athletics & Extracurricular Activities

We are proud of the many co-curricular activities our students have the opportunity to participate in at R.B. Chamberlin Middle School. We hope your child will take advantage of the many possibilities available.

All extracurricular activities require a student to be eligible by maintaining at least a 1.25 GPA and passing 75% of their classes.

Specific tryout/practice/meeting dates will be announced. This information will be shared with students on their grade level RBC Connections Google Classroom.

You can also visit the middle school athletics website at:

OTHER EXTRACURRICULAR ACTIVITIES

ART CLUB

What: The art club meets throughout the year as an after school activity. Art Club gives students the chance to enjoy a variety of arts and crafts experiences they may not have in a regular classroom setting. It allows each student to further develop their own imagination and artistic skills without the pressures of grades and due dates. This is an after school activity, and there will be a fee to cover supplies used throughout the year. Some of the projects may include T-shirt design, metal working, holiday crafts, and clay.

When: All year, twice a month after school.

Cost: \$8.00

DRAMA CLUB

What: Drama Club provides the opportunity for 7th & 8th graders to be involved in all aspects of live theater production. In the process, the Drama Club gives the students in Twinsburg the opportunity to experience student performances of live theater.

When: One show per year in the spring. Practices are after school. Time commitment of 2-3 hours per day while the show is in rehearsal.

Cost: \$13.00

ECO TEAM

What: ECO Team will meet every other week as an after school activity. The focus of this club will be on environmental issues and creative solutions to those issues. Students will be encouraged to explore their interests in this field and will even have an opportunity to organize and implement projects that help address and raise awareness surrounding the issues they are passionate about. This program offers students an opportunity to build leadership and use creative problem solving skills that they may not have in a regular classroom.

When: Starts in October and ends in April.
