The following tool has been approved and can be used contingent on the following requirements:

Tool: Wikispaces

Requirements:

1. According to the terms of service and privacy policy, permission must be given by a parent or guardian for students under the age of 18 in order for them to use Wikispaces. An email is also required to create a student account. Therefore the attached permission slip must be signed and returned by a parent or guardian.
2. Students create accounts using the join code provided by the teacher
3. Students follow the requirements below when creating student accounts:
   a. Username is the student's network username (ie ts1213412)
   b. Email used is the email from the parent permission slip
