

Setting up Gmail on your Android phone or tablet

To setup your Gmail on an Android phone, follow these steps.

- Open the **Settings** menu and go to **Accounts (& sync settings)** on your device.
- The **Accounts** settings screen displays your current sync settings and a list of your current accounts.
- Touch **Add account**.
- Touch **Google** to add your Google Apps account.
- You will be prompted to **Sign in** to your Google Account.
- Enter your full Google Apps email address as your username, and then enter your password.
- Select which services you'd like to sync.

Setting up Gmail on your iPhone or iPad

To setup your Gmail on an iPhone or iPad, follow these steps.

- Open the **App store** and search for the **Gmail app**.
- Download the app.
- Touch the **Gmail app**.
- You will be prompted to **Sign in** to your Google Account.
- Enter your full Google Apps email address as your username, and then enter your password.
- Select which services you'd like to sync.
