# Safety

By the end of the 2024-2025 school year, the Twinsburg City School District will enhance school safety through the consistent implementation of BOE Policy 5136 (student PCD use) and the expanded use of metal detection technologies at school entrances as measured by student discipline referrals.

## PCD Discipline Data

Student discipline data was collected related to student violation of the code of conduct for student personal communication device usage (Cell Phones).

Quarter	2024-2025	2023-2024
Quarter 1	17 Violations	5 Violations
Quarter 2	24 Violations	5 Violations

For the 2024/2025 school year, violations were aligned to ensure all violation related to PCD usage are recorded under this separate discipline category.
