*On a separate sheet of paper or directly in your own book, complete one item from each section before, during, and after you read.

Predict (before reading)

I predict

Make Connections

(during reading)

This reminds me of

This is like

This makes me think about

Question (during reading)

I wonder why

One question I had was

Clarify (during/after reading)

I'm not sure about

A part that didn't make sense to me was when

Infer, Summarize (after reading)

I think this means that

An important part was

This part was about

The author wants us to remember

When the text stated

"-----", I thought that
