November 30, 2022

Dear Twinsburg Schools Family:

It has been months since I notified you of a COVID-Cluster group in our school district. Recall that a COVID-cluster is determined when three or more individuals from the same classroom, sports team or other group test positive. Today, I reported the following COVID-cluster from George G. Dodge Intermediate School, as required by the ODH and SCPH.

School	Teaching Team	Subject	Classroom
Dodge	Mrs. Palmer & Mrs. MacArthur	NA	219 & 220

If your child experiences any of the following COVID-19 symptoms, they should remain home from school and take a COVID-test:

- Fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and/or diarrhea.
- COVID-19 test kits are available for our school families by request to: testingkitrequests@twinsburgcsd.org
- Please be sure to notify your child's school of all absences by contacting the school's attendance line.

Sincerely,

Kathi Powers
Superintendent
