Kindness. Growth. Community Support. Resilience. All words used by first-year Twinsburg High School Principal Brian Linn in his remarks to recognize the Class of 2022 during the annual Commencement ceremony held at EJ Thomas Hall at The University of Akron on Wednesday, May 25, 2022. Perhaps it was his comments regarding how the Class of 2022 honored their legacy as Tigers by having Twinsburg Pride in all they did during their time as students in the District.

### CLASS OF 2022'S *Twinsburg Pride* HONORED AT COMMENCEMENT

"As the first-year Principal at Twinsburg High School, I have been amazed by the amount of unparalleled community support for the schools and these very students that I have witnessed daily. I am truly thankful to the Twinsburg community, our parents, and our students who have taught me the true meaning of what it means to be hometown proud and 'built-in the-burg,'" said Linn, who oversaw his first graduating class of Tigers.

"The Class of 2022 highlights the pride in our local Twinsburg community, and our school spirit is strong because of you. You represent the very best of Twinsburg. You are caring, empathetic, intelligent, artistically gifted, ambitious, and hungry to take on the world's challenges," he implored. "Bring these attributes that you have learned and practiced here in Twinsburg into the world with you. To your families, careers, and friends...use the strong foundation you have built here to go into the world and achieve great things."

The celebrations for the Class of 2022 officially began during the Baccalaureate on May 23, 2022, at Saints Cosmas and Damian Church with families of the graduating class. Pastor Michael Stalla and the Twinsburg Ministerial Association hosted the event to honor the graduates.

Next, the Twinsburg Graduation March was held on May 24, 2022 and allowed the graduating seniors a chance to go on a trip down memory lane by visiting each

## STUDENT-ATHLETE SENIORS "BEAMED" INTO COMMENCEMENT

For five members of the graduating class, their experience was a bit different but no less special. After competing in the OHSAA Track & Field Regionals, they "beamed" into the ceremony to receive their diplomas from Austintown Fitch High School. Harnessing the power of livestream technology, Twinsburg High School teacher Casey Kirtley worked with Community Focus to livestream Commencement to the athletes to ensure they didn't miss this special moment with classmates!

school building within the District. The Seniors were transported to each school to be celebrated by the younger generation of Tigers and staff members, many of whom taught these seniors. The seniors basked in the pride shown by their younger peers and Twinsburg staff as they walked the hallways being "clapped out."

The recognition of the Class of 2022 culminated in the conferment of their high school diplomas at Commencement held on the campus of the University of Akron on May 25, 2022.

Senior Class Vice-President Kevin Lin welcomed guests while Senior Class Treasurer Carolyn Adick introduced honored guests, including THS teachers and District administrators, school counselors, and Board of Education members.

As is a tradition at a THS Commencement, selected students showcased their gift of music and poetry. Along with arrangements by the Twinsburg High School Band under the direction of Ryan Bonitz, special performances were given by Emma Shvartsman, Rainier Soetanto, and Ava Hadden, respectively. Shvartsman and Soetanto performed a spoken word poem entitled "Forever" while Hadden performed the song "Never Grow Up."

Twinsburg City School District Superintendent Kathi Powers also emphasized the pride and resiliency of the Class of 2022. In her Commencement remarks, Superintendent Powers told the graduates about the Latin phrase "Omne trium perfectum," which means "everything that comes in threes is perfect."

"The Rule of Three also applies to you," offered Powers. "The last three years of your life as high school students has not exactly been 'Omne trium perfectum,' but it certainly has shown your grace, your resiliency and your tenacity to do all you could to reach this day."

"No other graduating class has experienced what you have in a period of just three years," she continued. "Indeed, it has not been 'Omne trium perfectum' but you have maneuvered through life's uncertainties, showing great character and resolve, while you developed plans for your future."

Superintendent Powers then recognized the families of the graduating class and their unyielding support of their endeavors. She also took time to note the guidance and support of the Twinsburg City School District staff members and showcased Twinsburg City School District Teacher of the Year Missy Zenz, a first-grade teacher, and Twinsburg City School District Classified Staff Member of the Year Tiffany Brenner, an Instructional Assistant. She also recognized

retiring Twinsburg City School District Treasurer/CEO Martin Aho, who will depart the District after 20 years of service.

Twinsburg High School Senior Class Secretary Carli Genova spoke to her classmates and recognized several notable accomplishments. She highlighted Senior Alex Blyler, who

volunteered 433 community service hours. Overall, the Class of 2020 accumulated 20,800 hours in community service.

School Counselor Matthew Rutkowski introduced Senior Valedictorian Donald Mold and Salutatorian Lillian Piccolo.

Principal Linn presented the Class of 2022 to the Twinsburg Board of Education and Superintendent Powers as having met or exceeded the requirements set forth by the State of Ohio. The Roll Call of the graduates to receive their diplomas was conducted by Emily Hunt, Twinsburg High School Assistant Principal, and Rutkowski. 328 Twinsburg High School students received their diplomas at the annual Commencement ceremony.

Class President Valerie Reznik then led the class in the traditional "Turning of the Tassel Ceremony," while families and friends celebrated the Class of 2022 at EJ Thomas Hall on the campus of the University of Akron.

The Class of 2022 encountered a difficult era, facing a pandemic that for two years limited their experiences and challenged the students to adjust more than usual to the changing direction of a worldwide crisis. However, their Twinsburg Pride never wavered, and they are now taking the next step in their journeys, stronger and more resilient than ever.

"Thank you for the collective resolve you have shown over the past four years, but more importantly, thank you for being the people you are and for the special place that you have made Twinsburg High School each and every day," offered Linn. "Please remember that no matter where you are, no matter what you are doing, you will always be a Twinsburg Tiger!"

## BACCALAUREATE KICKS OFF GRADUATION FESTIVITIES

On Monday, May 23, 2022, the Class of 2022 began their graduation festivities with Baccalaureate at Saints Cosmas & Damian Church. Special thanks to Fr. Michael Stalla and the Twinsburg Ministerial Association for hosting this wonderful family event.

## SENIORS MARCH TO THE SOUND OF APPLAUSE

The graduating class took a trip down memory lane by marching through the halls of their old school buildings. The Class of 2022 received applause from students at each school building as well as the Board of Education throughout the day on Tuesday, March 24, during the Graduation March.
