FOCUS ON FACILITIES: TIGER LEGACY PROJECT

The Twinsburg Board of Education has placed a bond levy on the November 5, 2024 ballot to address aging elementary buildings and athletic facilities. This decision comes after years of planning and engagement with the community.

COMMUNITY-GUIDED PLAN FOR THE FUTURE

2016: Development of TCSD Comprehensive Strategic Plan begins during which stakeholders identified District Goals including Facilities Planning.

2018: The BOE authorizes the Strategic Plan. The Facilities Master Plan is updated to include the Conceptual Legacy Project, which is the proposed building project.

2020: Pause due to COVID-19 pandemic.

2021: Facilities planning prioritized by the Board of Education. The project is renamed, The Tiger Legacy Project.

2022: Community engagement resumes.

2023: Facilities assessments and enrollment projections are updated through the District's partnership with the Ohio Facilities Construction Commission (OFCC)'s Expedited Local Partnership Program (ELPP).

FINANCIAL RESPONSIBILITY

GENERAL FUND ESTIMATED REVENUES FY24*
