

RE-OPENING PLAN OVERVIEW

With students at the center of our planning, our goal is to provide a healthy and safe school environment while welcoming them back to everyday on-campus learning. This plan is tentative based on the Superintendent's recommendations. Changes can be influenced by numerous factors and our Twinsburg City School District community will be kept up-to-date throughout the summer.

On-Campus

We desire for our students and our staff members to return to On-Campus teaching and learning beginning in August 2021.

Virtual Option

If a parent desires a Virtual Option for their child, they will be directed to Ohio Online Learning sponsored by the ESC of Northeast Ohio. Students who enroll would remain a TCSD student. Criteria have been established to enroll in the Virtual Option and can be found on our website.
