Last year's Senior class faced an unprecedented ending of their Senior year in 2020. Perhaps the Class of 2021 can hold their heads even higher for surviving the challenges of an **entire** school year from start to finish under a cloud of the coronavirus pandemic. Throughout the months of their Senior year, uncertainty

reigned. This Senior class experienced it all, from months of remote learning to a hybrid class schedule to virtual learning. They had to wear face masks and keep their distance. They adapted, and then they adapted again. Through all of the challenges, the Class of

2021 led remarkably. There will be plenty of stories from their time as Seniors to share in the years to come, but through it all, they rose above and were able to be celebrated the way Seniors should be.

On May 20, 2021, the celebrations officially began with a return to an in-person Baccalaureate event at Saints Cosmas and Damian Church. Father Michael Stalla and the Twinsburg Ministerial Association hosted the event to honor the graduates and their families.

Last year, to create a celebration for the Class of 2020 during the first wave of the coronavirus pandemic, the first-ever Senior Parade was held. The event was so well-received, it has now become a Tiger tradition. The community-wide celebration took place this year on Sunday, May 23, 2021. The parade once again allowed the Twinsburg High School graduating class to safely travel through the City of Twinsburg, Twinsburg Township, and the Village of Reminderville with a police and fire escort. Again, the community came out in full force to cheer on the Class of 2021 and to recognize the accomplishments of our Seniors.

The recognition of the Class of 2021 culminated with the return to an in-person Commencement Ceremony held at Rocket Mortgage FieldHouse in Cleveland on Monday, May 24, 2021.

Senior Class Vice-President Isabella Dobrski welcomed guests and asked for a moment of silence and reflection to remember those who could not be present. Then, Senior Class Treasurer Logan Chapman introduced honored guests, including Board of Education members, District administrators, and THS staff members.

As is a tradition at a THS Commencement, selected students are showcased. Along with arrangements by the Twinsburg High School Band under the direction of Ryan Bonitz, special performances were given by Kelsey Minter, Elizabeth Heiner, and Carlene Kijauskas, respectively. Minter performed a spoken word piece she had written, entitled “They Said It Would Fly By,” while Heiner and Kijauskas performed “Little Wonders” by Rob Thomas.

Twinsburg City School District Superintendent Kathryn Powers challenged the graduates, who admirably made their way through a unique set of circumstances during the school year, to consider picking someone each day and finding a way of sending that person love and support. She implored them to try reaching out to someone each day, starting with their families.

“It will be good for them, and it will be good for you because whether you notice it or not, we are all challenged to make this world a better place,” said Superintendent Powers. “If we show love and kindness to one another, it will be returned to us tenfold.”

She also took the time to offer the Class of 2021 parting words of wisdom. These words encouraged the Seniors to work hard, be honest, and to make their handshake mean something.

“Take time for yourself and plan for longevity. Recognize the special people you’ve been blessed to know. Enjoy the moments that will lead to a lifetime,” she offered.

Twinsburg High School Principal Dr. Laura Hebert recognized the resiliency that the Class of 2021 showcased during a unique school year. While she noted she could speak to all of the ways this class had shown strength, courage, and determination, she brought levity to the ceremony by using hashtags “to live by.” Some of these included:

#BuiltInTheBurg: You are the very definition of a Twinsburg student - athletic, musically gifted, intelligent, you have a great work ethic, you set goals, you have ambition, and you learned all that right here in the Twinsburg City School District.

#Winsburg: You are winners; you overcame a pandemic to sit here. You were faced with split buildings, a 4x4 schedule, and either a hybrid or virtual schedule. Despite the very different start, the Class of 2021 took on the challenge and, here we are - graduating at Rocket Mortgage FieldHouse!

#LeadWithLove: No matter your path - business, medicine, education, the military, hospitality management, government, the law - become a leader who uses love as the foundation for all decisions. Compassion and empathy are the tools needed for you to lead. It will allow for an understanding of others and the burdens they carry, and eventually to a world where we stand together to fight injustice.

Twinsburg High School Senior Class President Patrick Holmes spoke to his classmates and recognized several notable accomplishments.

“The members of the Class of 2021 are a special group of people who have earned multiple honors, recognitions, and accolades throughout the years they have been in school,” offered Holmes.

CELEBRATE THE CLASS OF 2021!

The recording of commencement is available to watch at MyCommunityFocus app. Commencement will also be airing on Spectrum channel 1021 on the following days throughout the month of June:

- > Tuesdays: 1:00 pm & 8:00 pm
- > Wednesdays: 7:30 am
- > Saturdays: 1:00 pm

Look for the Community Focus Graduation Marathon airing 4th of July weekend.

“As Seniors, we modeled leadership, work ethic, and kindness for the underclassmen of THS, which resulted in numerous success in academics, athletics, and the visual and performing arts.”

He noted that the Senior class completed 23,867 hours of community service, with one student, Kara Pruett, accumulating 1,638 hours.

Kathryn Vasiliauskas was introduced as the Class of 2021 Salutatorian with a GPA of 4.627. She plans to major in biology at John Carroll University, where she will compete in cross country. Nikhil Prasad was announced as the Class of 2021 Valedictorian with a GPA of 4.715. He will attend Duke University, where he was accepted as an early decision applicant and will double major in computer science and biomedical engineering with a minor in economics.

Dr. Hebert presented the Class of 2021 to the Twinsburg Board of Education as having met or exceeded the requirements set forth by the State of Ohio. The roll call of the graduates to receive their diplomas was conducted by Alex Popovich, Twinsburg High School Assistant Principal, and Brian Fantone, Twinsburg High School Athletic Director/Coordinator of K-12 Student Activities. In all, 318 students received their diplomas at the annual commencement ceremony.

Class President Patrick Holmes then led the class in the traditional “Turning of the Tassel Ceremony.” Families and friends celebrated the Class of 2021 at Rocket Mortgage FieldHouse with a round of applause. Through the ups and downs, the Class of 2021 will be remembered for its resiliency. It was a fitting tribute that as our country comes out of the restraints of this pandemic, these graduates were celebrated in person, together as Tigers.

Communities cheer on Class of 2021 during SENIOR PARADE

Last year, in the midst of an unprecedented global pandemic, many new traditions were created to offset the loss of a “normal” graduation season. One such tradition was the creation of the Senior Parade. While some of what was done during 2020 won't be missed, the Senior Parade is a new tradition that continues. On Sunday, May 23, 2021, the Class of 2021 traveled in decorated vehicles throughout the community to be celebrated.

BACCALAUREATE KICKS OFF GRADUATION FESTIVITIES

On Thursday, May 20, 2021, the Class of 2021 began their graduation festivities with Baccalaureate at Saints Cosmas & Damian Church. Special thanks to Father Michael Stalla and the Twinsburg Ministerial Association for hosting this wonderful family event.
