Valedictorian Kaitlynn Bamler

Salutatorian Haridu Peiris

Our Twinsburg High School Class of 2023 gathered at EJ Thomas Hall on Tuesday, May 23, 2023 for a ceremony that was filled with both reflection and celebration. It was an evening that marked the closing chapter of their high school years and the beginning of a new journey into the future.

Cecelia Radicelli, the Class Vice President, started the evening with a heartfelt welcome that set a positive and welcoming tone for the night's proceedings. Her words were a poignant reminder of the shared experiences and accomplishments that have defined the Class of 2023's high school years.

Following Cecelia's welcome, the Twinsburg High School Band under the direction of Mr. Ryan Bonitz, played a stirring rendition of "The Star-Spangled Banner," instilling a sense of pride and unity among those present.

Sophie Adick, the Class Treasurer, introduced an emotional performance of "Vienna" by Billy Joel, delivered by the talented Kendall Bowens and Olivia Lovich.

Following this musical moment, Superintendent Kathryn Powers, took the stage and imparted her wisdom and hopes to the graduating class. She recognized the 2023 Teacher and Support Staff Member of the Year, Ms. Danee Pinckney and Mrs. Tracey Garvey. Powers praised the graduates' community service, crisis drill participation, and team spirit. Special recognition was given to Lyndsey Stephens, the graduate behind the animated Twinsburg Tiger, "Twinny." Lyndsey was acknowledged for her creative legacy contribution to the school community. Stephens' exceptional talent in various animation platforms and her dedication, demonstrated through hours of work to perfect the animation, has left a lasting legacy. Acknowledging her future studies in Digital Animation at Bowling Green State University, the proclamation thanked Stephens for her contributions.

Powers concluded by congratulating the class, highlighting their resilience, strength, and growth, and urging them to continue to make positive changes in the world. She reminded them of their permanent Tiger identity and expressed community pride in their achievements. Her insightful remarks served as a guiding light for the students as they stepped into their future.

Recognition of the Class of 2023 was conducted by Lauren Glessman, the Class Secretary. This paved the way for Mrs. Kristie Lewis, the Senior Counselor, to present the honored Valedictorian and Salutatorian, a traditional highlight of the ceremony.

Mr. Brian Linn, Twinsburg High School Principal, began his speech by recognizing the supportive community that rallied behind the graduating class. He emphasized the importance of acknowledging the collective efforts and dedication of parents, families, and loved ones, encouraging the students to show their gratitude through a round of applause.

Further, he recognized the dedicated staff of Twinsburg High School, including retirees Mr. Al Hodakievic and Mrs. Hui-Ling Haldeman, who had both made significant contributions to the school community. In a touching tribute, he acknowledged their combined service to education, setting the tone for the continuous dedication and commitment expected of the graduates.

The Commencement speech also highlighted the contributions of specific students, such as Annikka Banerjee, Aiden Bennage, and Naraen Naidu, who demonstrated exceptional commitment to their education by maintaining perfect attendance throughout their high school careers. He also mentioned Teagan Bell, who accumulated a staggering 379 hours of community service, and several students who were heading off to serve in the United States armed forces.

Interestingly, the graduating class had a unique feature—eight sets of twins! This fun fact sparked an extra round of applause, much to the delight of the graduates and their families.

Principal Linn’s message was clear and potent—Out of many, one, ‘E Pluribus Unum.’ He commended the diversity and unity of the graduating class, highlighting their journey from diverse backgrounds and experiences to form a collective force of ‘Tiger Pride.’ He credited their resilience in overcoming the challenges presented by the pandemic, applauding their determination, commitment, and joyful spirit that invigorated the school community.

In the spirit of achievement, Principal Linn shared impressive statistics: the class of 2023 completed over 23,137 hours of community service, earned \$43 million dollars in scholarship money, and 123 students graduated with honors. It was a testament to their unwavering dedication and their potential to excel in their future endeavors.

Then it was on to the Class of 2023 Roll Call, performed by Mr. Ryan Looman, the Senior Assistant Principal, and Mr. Brian Fantone, the Athletic Director. This was a joyous acknowledgment of each student’s individual journey and accomplishment.

The turning of the tassel, an iconic ceremony marking the official transition from students to graduates, was led by Kaitlyn Kaminsky, the Class President. This symbolic act stirred a wave of applause and cheer, a fitting tribute to the graduates.

Finally, the ceremony concluded on a high note with a “Fanfare and Recessional,” signifying the triumphant close of their high school journey. It was a fitting end to an event that will be etched in the memories of all attendees for years to come. The Twinsburg High School Class of 2023 graduation ceremony was a beautiful evening of celebration, reflection, and anticipation of great things to come.
