On May 28, 2024, the University of Akron's EJ Thomas Hall was filled with proud families and excited graduates for the Class of 2024's commencement ceremony. The evening began with the processional, "Pomp and Circumstance," played by the Twinsburg High School Band under the direction of Mr. Ryan Bonitz. Dominic Genova, Class Vice President, welcomed the attendees, followed by the band performing the national anthem.

The ceremony featured musical performances, including Liam O'Hara's rendition of "My Way" and Imaya Perera and Elisa Unangst's duet of "One Moment in Time." Tate Lowry shared the reflection, "Thrive", reminding his peers about the years they have spent together as Tigers. These performances set a celebratory tone for the evening.

Superintendent Kathryn Powers delivered an inspiring address, reflecting on the journey of the graduates. "As we celebrate this momentous occasion, it is with great pride that I acknowledge the extraordinary talents and achievements of this remarkable class. Not only have you demonstrated exceptional academic achievement, but you have also excelled in the visual and performance arts, and on the athletic field, setting a standard of excellence that is truly unparalleled."

She also acknowledged two special guests: Mrs. Gayle Wall, the 2024 Twinsburg City School District Teacher of the Year, and Mrs. Yvette Bell, the 2024 Support Staff Member of the Year. Their dedication and impact on students were warmly applauded.

Powers added: "Class of 2024, yours is a legacy of resilience, of overcoming challenges, and of embracing the extraordinary. From the pandemic to a lightning strike, from the full solar eclipse to the northern lights, you have navigated every twist and turn with grace and determination. You are truly a legendary class, and your legacy will endure for generations to come."

Principal Emily Hunt's remarks resonated deeply with the audience as she reflected on the unique experiences of the Class of 2024. "This senior year has been full of highs and lows—some things within our control and some completely outside of it—like the pandemic—but I've witnessed so many of you dig deep into your source of strength and stand strong through each low, most times with the support of those around you, and I've enjoyed celebrating all of the amazing highs and accomplishments you've brought to fruition."
