

TWINSBURG WELLNESS & NUTRITION

To encourage and offer opportunities for our students and staff to incorporate exercise and healthy eating as part of their lifestyle.

BONUS ITEM ALLERGY INFO

Twinsburg City Schools Food Service has diligently reviewed all food items to try to ensure that PEANUTS are not present in any of our offerings. We also do not prepare any peanut products in any of our kitchens that could lead to potential cross contamination. However, we will never be able to guarantee that none of the products we purchase are completely peanut-free, because their processes are outside of our control.

Twinsburg Food Service has added a few new items this year that we will offer as BONUS items on our lunches. These items and their individual information are listed in the below links. If food allergies are a concern for you as a parent, please make sure to evaluate the products below for your child. Substitute BONUS items can be made upon individual request by contacting the District Dietitian mbindus@twinsburg.k12.oh.us

[Otis Spunkmeyer Carnival Cookie](#)

[Otis Spunkmeyer Sugar Cookie](#)

[Otis Spunkmeyer Allergen Letter](#)

[Gripz Chocolate Chip Cookies](#)

[Reduced Sugar Fruit Roll-ups](#)
