

Twinsburg City School District is in compliance with Ohio Revised Code 3313.814 - Standards governing types of foods and beverages sold on school premises.

Mark Bindus, our Registered and Licensed Dietitian, plans all menus and oversees the purchase of all a la carte and vending items to ensure that not only that not only do they comply with Ohio Revised Code 3313.814, but they meet the highest standards set forth by the USDA. These standards are upheld during the school day and include 30 minutes prior to and 30 minutes after the school the day.

Our goal in food service is to always provide foods that are not only healthy, but, great tasting and appealing to our students and staff at Twinsburg City School District.
