

Dear Parents,

In kindergarten each child will be highlighted as Student of the Week. This will give your child the opportunity to tell about family, friends, pets, and any special interests by completing an activity sent home by your teacher. This will be received one week prior to your child's special week.

Through a technology grant our class has purchased a video camera appropriate for children's use. Cameras will be sent home for one week so that your child can record anything he/she would like to show the class about home and/or hobbies.

Due to the nature of this project, it is very important you are willing to take responsibility for proper use and care of our camera. The camera will be sent home for one week prior to your child's special week. **Replacement cost for loss or damage is \$75.00.**

**Please be sure your child uses this camera with your assistance.** There is only one camera for the entire class so it is very important the camera is handled with care and returned to school on time. We would like to post the videos on our web pages so **NO LAST NAMES** (or first names if you choose) should be mentioned.

Camera guidelines:

- Videos are no longer than **three (3) minutes**
- Only parent and Student of the Week may use camera – no siblings
- Keep camera away from water, food, and pets
- Camera is **always** kept in its case when not in use
- Camera **must** be returned to school on or before due date

*Cut here and return*

---

**Please sign and return this form if you are willing to participate and take responsibility for the care and replacement of the video camera. Children will not be permitted to bring home the camera without this completed permission slip.**

My child \_\_\_\_\_ has permission to bring home the video camera.

My child \_\_\_\_\_ **does not have permission** to bring home the video camera.

\_\_\_\_\_ My child's video **CAN** be published on the Twinsburg City Schools classroom webpage.

\_\_\_\_\_ My child's video **CANNOT** be published on the Twinsburg City Schools classroom webpage.
