Twinsburg, OH 44087

The Twinsburg Band Boosters Welcome Packet

WHO WE ARE:

The Twinsburg Band Boosters is a non-profit (501c3), volunteer group committed to the support of the Twinsburg Tiger Bands programs and students in 5th through 12th grades. We develop, support, and maintain an enthusiastic interest in the superior band programs including, but not limited to George G. Dodge's 5th & 6th grade beginner bands, R.B. Chamberlain's 7th & 8th grade Concert Bands & Jazz Ensembles, and Twinsburg High School's Marching Band, Jazz Ensembles, Concert & Symphonic Bands; as well as The Twinsburg Tigerettes Drill Team & Majorettes. We strive to promote the fine arts through the Twinsburg City School District's Band Programs and to support, encourage and enrich the lives of the students and families partaking.

WHAT WE DO:

This TBB organization provides financial support to all the programs in many ways such as, purchase and maintenance of marching and concert attire, purchase and donation of equipment and instruments, repair and maintenance of instruments, provide music and enrichment materials, and scholarships to assist in the musicianship of our students. In addition, our group organizes events to help fund the things we provide for year in and year out. We also assist to provide volunteers for each program as needed and requested by the directors. Finally, we cooperate with those who oversee the Twinsburg Tiger Band Programs to ensure the highest degree possible of efficiency for the program and the most memorable experience for our students.

HOW WE GROW:

We are seeing music interest and growth in huge numbers and we are so excited that many students have found a family with their band programs. As our student body grows, the TBB must also. In order to continue to be successful in our enrichment endeavors, we must rely on our families, friends and supporters. We offer many fun ways to get involved and be a part of something your children truly love. We are actively seeking volunteers for committees throughout the coming year. We are a dedicated and lively crew of volunteers who strongly encourage and welcome new team members to give us a try. You can choose to be involved in what works best for you; it may be one event all year or it may be a series of events, or behind the scenes work is also a great way to contribute. One of the greatest things about being a part of our community is the impact you can have on our students' experiences. These are truly memories they will hold onto forever. If you are interested in joining us, later in this packet you will find several options. We'd love to welcome you to the team or even just answer your questions about how to get started.
