Mad Science Camp

BRIXOLOGY® Camp sets the foundation for our next generation of makers! Kids learn about different types of engineering and then team up to construct a different engineering-themed project using LEGO® bricks. They learn about aerospace engineering while assembling a space station. They explore mechanical engineering as they build boats and vehicles. That's not all, from carnival rides to drawing machines, mechanical animals to truss bridges; your future engineer will build upon their creativity to solve real-world design challenges, while developing their problem-solving and team-building skills. Let the tinkering begin!

DATE(S): June 23-27, 2025

TIME: 9am-12pm

PLACE: Twinsburg Community Center

COST: per camper per week (pc/pw). Paid in full at time of registration.

- City of Twinsburg resident: \$175pc/pw
- Non-resident: \$272pc/pw

Because we recognize that a ½ day camp may present challenges for those that also want to send their children to the youth summer camp there are options available.

Morning Care from 7am-9am

Eligible to register for Morning care through the summer camp. This allows you to drop off your child between 7am-9am, our leaders will make sure your child gets to Mad Science camp.

5-day session:

- Annual Member: \$30pc/pw
- City of Twinsburg Resident: \$40pc/pw
- Non-Resident: \$60pc/pw

4-day session (Sessions 3, 5, 9 & 10):

- Annual Member: \$24pc/pw
- City of Twinsburg Resident: \$32pc/pw
- Non-Resident: \$48pc/pw

Participants may join the youth summer camp program following Mad Science camp each day by registering for a pro-rated fee for the hours of 12pm-3pm. **Cost for pro-rated youth summer camp for Mad Science camp participants is \$75pc/pw.** If your child is registered for the pro-rated camp, then you also have the option of registering your child for Afternoon Care.

Afternoon Care from 3pm-6pm

5-day session:

- Annual Member: \$45pc/pw
- City of Twinsburg Resident: \$60pc/pw
- Non-Resident: \$90pc/pw

4-day session (Sessions 3, 5, 9 & 10):

- Annual Member: \$36pc/pw
- City of Twinsburg Resident: \$48pc/pw

REGISTRATION:

Registration available online twinsburgrecreation.com
In person, Monday-Friday 8:30am-3:30pm at the Twinsburg Community Center.

- Rec Annual Members and City Residents: April 7, 2025 9am.
- Non-residents (this includes Reminderville and Twinsburg Township): May 5, 2025 9am.

MORE INFORMATION: Students must have completed first grade to register. **This is a specialty camp that is not included in regular youth summer camp schedule.**

SCHEDULE:

Waterworks Day - Build Bridges and test the buoyancy of a paddle boat. We will experiment with boat designs and measure how much weight our bridges can hold. Take on the Sailboat Slalom and string up your own suspended bridge.

Design Day - Assemble a drawing machine that creates unique designs. Build a photo frame with a moving curtain and take on our Engineering Design Challenge to build a large structure. Finally, we will test our Sky Rollers to transport our build pieces.

Fun Fair Day - Explore the engineering behind amusement parks and biomimicry. Assemble and take home a wind-up peacock and create your own crazy creature. Learn about how your favorite amusement park rides work on this fun-filled camp day.

Structures Day - Use simple machines to build an elevator with a tower as we get down to engineering basics. Pull on pulleys, learn about levers, and assemble axles while building up to the sky. Once there, we will take a journey into outer space with our own space stations. This day is truly out of this world.

Transportation Day - Let's get moving as we learn about mechanical engineering. Make a motor powered car out of LEGOs and experiment with gears. Use recycled materials to create your own mode of transportation and try a round of our "Pony Express" challenge.
