Sign-up for Collisions®

Now available for **FREE!**

It's easy to bring Collisions to your classroom!
Simply complete the teacher registration form below to receive FREE access.

This registration form is for educational institutions and homeschools only – select your institution type in 'Organization Information' field below.

Once your Teacher sign-up is complete, you will receive an email to access Collisions Chemistry and create your classes for your students to join.

Please note: This registration form is for educators and homeschool institutions ONLY.

Students should NOT complete this form. Students must request a class code from their teacher or sign in with Google once instructed by their Teacher.
