

The following tool has been approved and can be used contingent on the following requirements:

Tool: learnzillion

Requirements:

No permission slip is required if the following are true:

1. Teacher enters First Name, Last Initial when creating students
2. Students register using the enrollment code supplied by the teacher
3. Students use their network username as their username (ie: js1011123) or a username that does not contain personally identifiable information when registering.

These requirements ensure that no personally identifiable information is available.

If these above requirements are not met a district permission slip will need to be sent home, signed and returned for each student.
