

Review the Sequence of the Alphabet

Your child needs to be able to **say or sing the alphabet from A to Z**. Sing or say the alphabet whenever you can – in the car, bath time, bedtime, etc.

Make sure your child is aware of each letter! So often “**innop**” is lumped together and the child does not separate them.

If you have **magnetized plastic letters**, have your child place them on your refrigerator in sequence as he or she says the letter name.

ABCDEFGHIJKLMNOPQRSTUVWXYZ

You will find the **suggested books** listed below helpful at this time. They should be available at your local library.

Following this page, you will find the **alphabet order squares**. Have your child lightly color the vowels (a e i o u) orange. Keep one of the groups of squares uncut to use as the base and cut the second group into individual squares.

Have your child place the letters onto the matching letters on the uncut squares. Make sure your child says the name of the letter as it is placed. Keep these letters in a baggie to do this again and for other activities.

If you enjoy crafts, you could make a place mat and decorate it with one of the letter squares. Have your child place the cut letters on the place mat while waiting for supper.
