- **Cut words into flashcards. 1.** Each night, help your child **read** all Trick Words from previous units, as well as these.
2. Have your child **trace** each new Trick Word with his or her finger and **spell** it aloud; and **3.** Cover up the trick word and have your child write it with his or her finger on the table while naming each letter.

Guide

Review the **glued sounds**, /am/ (as in **ham**) and /an/ (as in **fan**), with your child during the next week.

Follow These 4 Steps:

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. Remember, /am/ and /an/ are “glued” sounds so they get one tap by

touching middle finger and ring finger to the thumb. Do not tap trick words.

3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. It is helpful if you say the letters as your child writes them.
